Ladies & Gentlemen,

We had a decent turnout for our Saturday Morning Competition "Two Person Chapman". Thirty golfers ignored the forecast and had a nice morning to play. The last few groups saw a some showers but overall, not too bad.

I heard plenty of grumbling about partners not carrying their share of the load. Apparently several teams were able to get along and shoot some fine scores. Congratulations to the winners. All dollar amounts are per team.

Next Saturday is Monthly Medal. Individual gross and net by division. The Men's and Ladies Clubs will throw in three extra dollars per person to sweeten the payout. I will also have an optional \$5 honey pot which will be a cash payout. I expect to have a large field (some nice weather would help). Please call or sign up in the golf shop on the tee sheet. I can help you find a game.

Enjoy your weekend!
