

Meadowmeer Junior Golf

Meadowmeer G & CC is very pleased to offer Junior Golf Programs. Golf is a game for a lifetime and having the ability to acquire the skill of playing golf at a young age is a great gift for any child. The club will start with summer Junior Golf Camps. These camps are designed for beginning to intermediate skilled young golfers - ages 7-12. The three-day camps will teach the fundamentals of the game. Driving, iron play, pitching, chipping, putting, and bunker play will all be covered. There will also be a major focus on the rules of golf, course etiquette, and on course strategy. Each clinic will be two hours in length with healthy snacks and water being served each day. Unfortunately, these clinics will fill up very fast. Students are encouraged to bring their own golf clubs. Clubs will be provided for those that don't have clubs.
