

Meadowmeer December Newsletter 2020

Great Winter Golf – The golf course is in very good shape. We have enjoyed a fairly mild fall and start to the winter season. While winter golf is difficult, it can still be very fun. I suggest playing shorter tees to accommodate the ball not traveling as far as normal. We are not posting scores so this is a good time to work on your game. It can be fun to try out some different shots. While we suggest making tee times, the course is not too busy so you can enjoy a nice pace of play. At the very least come out and enjoy a beautiful walk and some fresh air.

Member Update Information Request - If you currently receive a paper statement each month and would prefer to save the paper and the postage, please email Katy at meadowmeergrill@gmail.com to update your email address so you can start receiving the statement via email.

Christmas Sale! – Unfortunately we are missing our Christmas Open House this year. We will have our entire inventory on sale starting December 11th. Come by and pick out a present for the golfer on your list. Inventory is low and so are the prices!

Trial Memberships – We had a tremendous amount of new Trial Members join the club this year. The trial members have the option of transferring their membership over to full membership without paying the \$1000 initiation fee, which starts in 2021.

New Membership Information - Our membership did fill up this summer and we even had a few people on the waiting list. However, we currently do have several openings. You can join now by paying the \$1,000 initiation fee and not start paying dues until January of 2021. Please contact David Tunkkari for more information dtunkkari@gmail.com or 206.406.0068.
